These periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics forms only one feature of their character. As organs of the most profound writers on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

## Splendid Offer For 1857 and 1858 together.

Unlike the more ephemeral Magazines of the day, these Periodicals lose little by age, and a full year of the New (with its usual) for 1857, may be regarded nearly as valuable as for 1858. We propose to furnish the two years at the following extremely LOW RATES, viz—

For Blackwood's Magazine, \$4 50

For any one Review, 4 00

For any two Reviews, 6 00

For Blackwood and one Review, 7 00

N B—The price in Great Britain of the five Periodicals above named is about \$31 per annum.

As we shall never again be likely to offer such inducements as those here presented, NOW IS THE TIME TO SUBSCRIBE.

Remittance must, in all cases, be made direct to the Publishers, for at these prices no commission can be allowed to agents.

## JENKINS & CO.,

WHOLESALE DEALERS

## IN TEAS ONLY, PHILADELPHIA.

The new crop of Tea is now arriving, and selling much below the high rates of the past year; the present therefore opens with the pleasing prospect of our again being able to furnish as good an article for the price, as formerly. We also take pleasure in announcing that we have concluded to extend the time on small bills, heretofore sold on two and three months, to three and four months credit.

Thousands of Grocers and general Store keepers now sell Teas in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against tea put up in this convenient form. This unexpected success is the legitimate result of a business uniformly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "SMALL PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers are recommended to order small and frequent bills.

Those who still prefer the old way, are furnished with teas in the original packages, at three cents per lb. less than in Metallic Packages.

C. D. Harbutt is no longer in our employ as Travelling Agent—his place being supplied by another. JENKINS & CO.
